CLC Currency and the Cruinn

While we are aware that people may not be familiar with cryptocurrency, we have listed below a step-by-step procedure to assist.

The following information explains how to set up your own wallet and how to purchase the Cruinn.

Please read carefully and follow the points below.

Creating a Coinbase account

1) Go to https://www.coinbase.com/ and click on "Get Started" (Top Right).

2) Fill out the required field's First name, Surname, Email address and Password.

3) Click "Create Account", "Next" and then "I Acknowledge".

4) Verify your mobile number by enter the code you have been sent via SMS.

5) Fill out the information being asked for (Date of Birth, Street address, what you will use Coinbase for, What is the source of funds and Employment status).

6) Enter "How much crypto do you expect to trade per year" and "What industry do you work in".

7) **Verify your identity**,

8) you will now need to verify who you are by using a Statutory issued identification Passport, Driver's License or National ID card.

9) You will now need to add a Bank account and verify this is your account to start making transactions.

<u>From this point you can now start to buy BTC (Bitcoin) or LTC (Litecoin)</u>

1) Once you have signed into your Coinbase account click on "Buy/Sell" (Top right).

2) Select Bitcoin or Lite coin and select your payment method.

3) Enter how much you wish to buy and click "Buy Bitcoin" or "Buy Litecoin".

4) Once You have bought Bitcoin or Litecoin and it has been credited to your account, You will now be able to buy Cruinn on the CLC website.

<u>How to access your CLC wallet</u>

*As long as you have a CLC user account you will already have a CLC wallet linked to it.

**There is a monthly subscription of 10 Cruinn that will be automatically debited from your first deposit into your CLC Cruinn wallet, Information about this can be found at https://clc-currency.uk/distribution.

1) go to https://www.commonlawcourt.com/ and Sign into your CLC account.

2) On the home page click on "Work with us" and then "Currency".

3) Click on "Login" at the top right of the screen.

4) Enter your CLC username and password (If this gives you the error of "account does not exist or password incorrect" reset your password on the main website, this should correct this issue)

4.2) If you have needed to reset your password make sure to check your Junk/Spam folder.

5) Once signed into your CLC wallet, you can now buy Cruinn with your Bitcoin or Litecoin.

<u>Buying Cruinn with BTC (Bitcoin) or LTC (Litecoin)</u>

1) In your CLC wallet click on "Add Balance".

2) Choose method BTC (Bitcoin) or LTC (Litecoin) and enter the amount of CRU (Cruinn) you wish to buy.

3) You will now be taken to the payment screen.

4)From here you now have two tabs "Scan" and "Copy.

5) To "Scan" Open the Coinbase app on your mobile phone, Sign into your account, tap on the QR scan icon at the top right and scan the QR code.

5.2) To "Copy" Copy the payment address that is provided and go to your Coinbase account on the Coinbase website, click on "Send/Receive".

6) Enter the previously copied address from your CLC wallet and paste it in the box that says to "Mobile, email, or address".

7) Now click on "Continue" and then "Send now", It will give you an estimated time for this payment to be completed.

8) Once this process has been completed you will then receive Cruinn into your CLC wallet.
