

Motor Vehicle

Q, When/ how do I get a CLC numberplate?

A, When recording car details on this site, you can choose to have a CLC Number Plate, these are issued by the website. If you require a personal plate number, this can be obtained but you will have to purchase this

Q, How much will my CLC numberplate cost?

A, A one-off fee of £50, once purchased you can transfer it to any vehicle or sell it

Q, Do I need to notify DVLA?

A, Not necessarily but out of courtesy we recommend it, this notifies them of your standing and ownership

Q, Do I record my caravan/ campervan here?

A, Yes you can register both here as they are both identified with a number plate

Q, Do I still need to tax, MOT and insurance my vehicle?

A, An MOT and insurance are advisable as you are confirming that you are road worthy and protected, in case of an accident. There is no need to pay road tax however as this is a statutory obligation and only required for commerce (e.g. used by a DRIVER for business)
